

2014 ANNUAL RECEPTION FUNDRAISER FOR BLACK STAR TUTORING SPONSORSHIP OPPORTUNITIES

Welcome!

Coming off the heels of our very first fundraiser in 2013, we are pleased to once again invite you to attend the second annual Reception Fundraiser hosted by Jaku Konbit for their educational program, Black Star Tutoring. To launch the 2014-15 school season and focusing on the theme, **“Education Equals Options”**, the Fundraiser will be held on **Saturday October 4, 2014 starting at 18:00** at the **Marconi Centre at 1026 Baseline Road**. The evening has a wonderful program highlighting the many achievements and valuable contributions of both tutors and students through the year. And this year, we’ve added an island-themed Dance following the Reception.

Assisting in this capacity are our key luminaries, Keynote Speaker, **Emechete Onuoha, Xerox Canada - Vice President Global Government Affairs** and our Honourary Patron, **Yasir Navqi, MPP and Ont. Minister of Community Safety and Correctional Services**. And to guide us through the evening, our Mistress of Ceremonies, **Denise Siele, Managing Partner, SEMgroup Strategic Events and Public Affairs**.

As you know, all of the funds raised, go to supplement families in need who are unable to fully pay for the tutoring services through the school year. This is an important event for these families. Consider buying tickets or sponsoring a family to attend. Call us at the office - we could really use your support!

We look forward to seeing you there!

Who We Are

Black Star Tutoring is a mobile program – that is, the tutor comes to you. We provide in-home tutoring services to all elementary and high school students.

With a special focus on children and youth, we welcome all newcomers and immigrants who may need assistance overcoming academic barriers and cultural challenges.

The program is also available to students who aim to “reach ahead” by advancing their knowledge and understanding in a particular subject or field.

Black Star Tutoring uses a one-on-one approach so both tutors and students benefit from a personalized lesson plan.

Why we need your support at this fundraiser....

1. To raise awareness of the Black Star Tutoring Program and to highlight the Program impact;
2. To raise funds to supplement families providing these tutoring services to their children;
3. To recruit more tutors and students; and
4. To develop partnerships with new businesses and individuals in the community.
